

# Financial Modeling Boot Camp

The Bentley University Investment Banking Club is partnering with Adventis to bring its Financial Modeling Certification (FMC®) Program to campus

 Differentiate yourself for competitive fields in finance

 Learn to build financial models entirely from scratch

 Includes unlimited FMC® Program certification exams

 Internalize core concepts, rather than memorizing them

 No accounting or finance knowledge required

 100% access to our online instructional videos

**FREE to students already enrolled in Adventis**

You can register in the Adventis portal

**Date:** February 7, 2026 (Sat)

Early Enrollment Deadline

**Time:** 9 AM - 5 PM

**February 4, 2026**

**Location:** Smith Technology Center Room 110

**\$299**

## Boot Camp Highlights

- Build a 3-statement financial model of an airline company from scratch
- Perform a precedent comparables analysis for the airline space
- Perform a Discounted Cash Flow (DCF) analysis
- Build a comparison of all valuation metrics to triangulate value for the airline company
- Build a leveraged buyout (LBO) analysis to calculate return on investment and credit metrics

**Enroll now**

Fee is \$339 after February 4
